I want to praise Moeta -san!
I better be even more gentle towards Kaosu-san...!
Would you be thinking "let me draw my next work"!? Like, normally.

I will draw the cover. My pictures have charm that both men and women, young and old can enjoy.
Sempais, that stuff won't appeal to everyone, don't you think?

Good evening...
Thank you for always reading my terrible story-boards until the end... I'll bring a better storyboard next week, so if you don't forget me... I would be grateful.
I'm sorry...
I will try my best...
